

Hathaway Success Course Plan

Use the Hathaway Success Curriculum information to record which classes you've taken and which ones you still need to take to be on track for the level of Hathaway Scholarship (the Honors, Performance, Opportunity or Provisional Opportunity) you would like to obtain. The number of courses needed for the Honors and Performance level scholarships are indicated in this form after each subject area.

Grade Level	Math (4)	Language Arts (4)	Science (4)	Social Studies (3)	Fine Arts	Career and Technical Education	World Language
7					<p>To qualify for the Honors or Performance Scholarship, choose four years of either Fine Arts, Career and Technical Education or World Language. Two of these must be sequenced in the same elective area.</p>		
8							
9	<p>Additional math should be taken in grades nine through 12.</p>						
10							
11							
12
